TAILORED FOR DISCERNING TASTES

Valour offers infinite options and unique, individually-commissioned specifications that are integrated from the start to satisfy the most discerning drivers.

Complimenting the driver-centric, classically themed character of Valour, a new range of accessories are now also available.

6-PIECE LUGGAGE SET

Handmade in England by highly skilled craftsmen, each piece of luggage has been carefully chosen to accommodate the needs of the discerning traveller. The set contains two small holdalls, two medium holdalls and two flight cases.

HELMET

The Valour Helmet is open faced classic style with modern materials and safety features. Taking inspiration of 110th Year of Aston Martin racing history. Finished with a satin gloss and tan interior, this celebration helmet is a one-of-a-kind edition.

FIA 8859-2015 & Snell SA2020 approved.

Available in small, medium, large and extra large. Sizing Guides can be found on the last page.

DRIVING SHOES

The limited-edition Valour Driving Shoes are lightweight with an all-rounder design. Finished in an exclusive Aston Martin Green Suede. Perfect for both road and track, made with cutting edge technology and the highest craftsmanship.

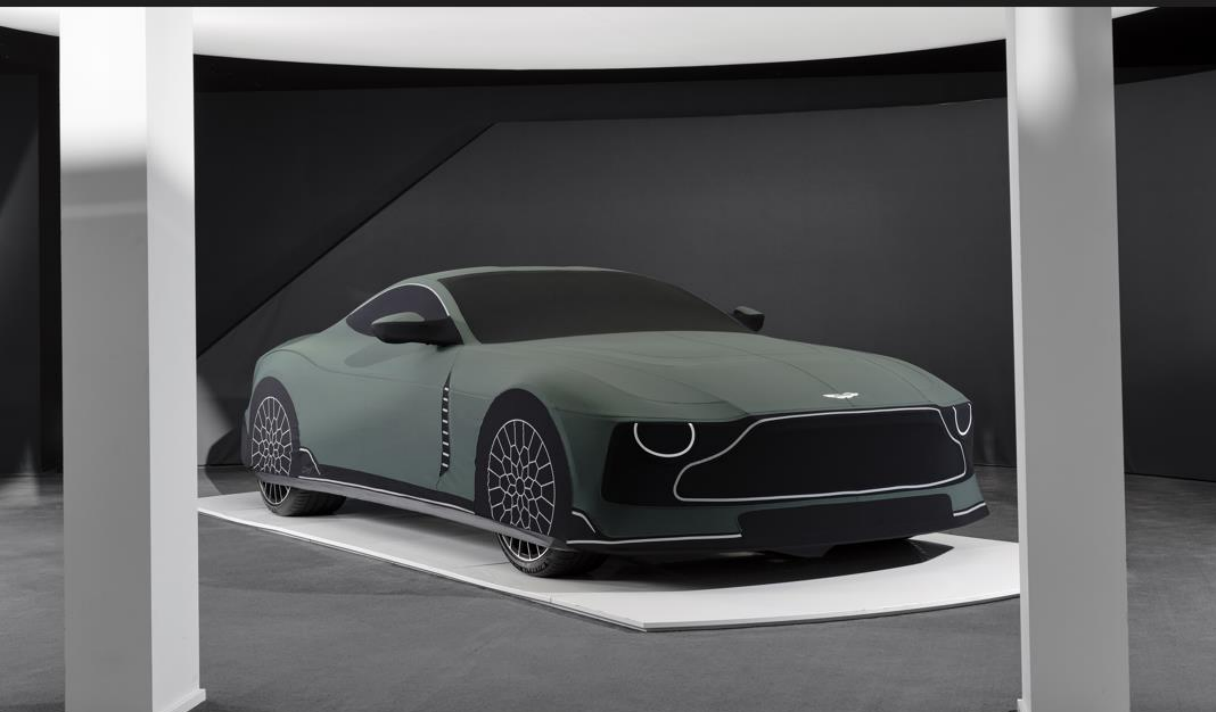

Sizing Guide can be found on the last page.

Illuminated Treadplate

A simple but effective way to add the final touches to the interior of your Valour. Located in the door sill, these treadplates feature the Aston Martin wings and illuminate in a soft white light as the door opens, creating a welcoming ambiance.

Part Number:
Illuminated Treadplate - Bright - NY63-80-10079
Illuminated Treadplate - Dark - NY63-80-10076

CAR COVERS

Tailored Car Cover

A bespoke crafted car shell, custom tailored to perfectly fit the contours of Valour. Crafted from the finest materials to offer maximum protection. The car cover can be further customised to match your chosen Valour livery, highlighting the unique specification even when not in use.

Fitting Guides

Helmet

	S	M	L	XL
Head Size (CM)	57-58	58-59	60-61	61-62
Head Size (IN)	22 7/16–22 7/8	22 7/8–23 1/4	23 5/8–24	24-25 3/8

Carefully measure around your head, above the ears. Take the measurement, in inches or centimetres, referring to the chart for correct helmet size. Do not guess your size as helmets must fit snugly and securely before engaging in any activity.

Driving Shoes
