

BENTLEY

BENTAYGA ACCESSORIES

Bentayga (V8) WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ Emissions – 294 g/km.

Bentayga (V8) NEDC drive cycle: fuel consumption, l/100km – Combined 12.0. Combined CO₂ Emissions – 272 g/km.

Reimagine your Bentayga for the road ahead.

With innovative capabilities that guarantee excellence in all conditions, Bentayga inspires endless extraordinary journeys. Paired with dramatic design cues that demand attention, it earns its name as the ultimate luxury SUV. And with an extensive suite of accessories echoing the finest materials and astounding artistry that characterise Bentley cars, it has all the extraordinary power imaginable to meet your every driving need.

Whether you're seeking out a new sophisticated aesthetic, offering a dynamic edge to your Bentayga's appearance or simply safeguarding its impeccable quality – every Bentley accessory blends versatility with refinement to bring a truly unique ownership experience.

You can discover the finest selection of exquisitely crafted accessories and a suite of practical products on the following pages or at **BentleyMotors.com**

Bentayga (V8) WLTP drive cycle:
fuel consumption, mpg (l/100km) –
Combined 21.7 (13.0). Combined CO₂
Emissions – 294 g/km.

Bentayga (V8) NEDC drive cycle: fuel
consumption, l/100km – Combined 12.0.
Combined CO₂ Emissions – 272 g/km.

Adventure in style.

Accentuating the sleek, sophisticated lines of your SUV, the Bentayga Styling Specification breathes new life into your adventure. Featuring a distinctive weave pattern and high-gloss, black carbon fibre, the side sills, front splitter and rear spoiler are mirror-matched for symmetry, echoing the exquisite veneers found inside the cabin.

A gloss black diffuser, bumper surround and rear screen strakes complete the look, creating a commanding and characterful aesthetic that never goes unnoticed.

Each element is rigorously tested and expertly crafted from the same precious materials found in your Bentayga – so you can take pride and peace of mind on every journey.

Bentayga (V8) WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ Emissions – 294 g/km.

Bentayga (V8) NEDC drive cycle: fuel consumption, l/100km – Combined 12.0. Combined CO₂ Emissions – 272 g/km.

Bentayga (V8) WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ Emissions – 294 g/km.

Bentayga (V8) NEDC drive cycle: fuel consumption, l/100km – Combined 12.0. Combined CO₂ Emissions – 272 g/km.

Embrace all-terrain practicality.

Highly suited to an off-road lifestyle, Fixed Sill Steps allow passengers to enter and exit the SUV with even greater ease. Available with impeccably finished inserts in Black, Bentley-branded Carbon Fibre and Moonbeam they are ideal complements to the Bentayga Styling Specification and Blackline Specification. Permanently secured to each side of the SUV and inlaid with a quilted rubber tread to enhance safety and grip, the steps effortlessly withstand any type of terrain.

*Sill step not currently available in Spain or Germany

From four wheels to two.

The Bentley Cycle Carrier* offers the utmost convenience and functionality. Mounted to the car's tow bar, it offers safe and secure stowage for two bikes. The boot can still be accessed when the carrier is being used, and easily retracted back to the tailgate when out of use. A carrier for three bikes is also available, with a separate extension to accommodate a fourth, such as a child's bike for younger Bentley enthusiasts.

Bentayga (V8) WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ Emissions – 294 g/km.

Bentayga (V8) NEDC drive cycle: fuel consumption, l/100km – Combined 12.0. Combined CO₂ Emissions – 272 g/km.

*Regional applicability applies. Not available in Taiwan.

Expand your horizons. And your storage.

Sophisticatedly styled to complement Bentayga's strikingly sculpted lines, the Bentley branded lockable Roof Box offers safe and secure storage and heightened peace of mind on the move. Firmly held on the Cross Bars, it has a load capacity of 75 kilograms and a volume of 320 litres, making it the perfect addition to an active lifestyle.

Safe transit in all conditions.

Cross Bars are the base of Bentayga's roof storage system and ensure the Roof Box and Ski and Snowboard Carrier are secured to the car. Designed to support the SUV's aerodynamic performance, they lock to the car's roof rails to ensure safe transit and confidence in all conditions.

Bentayga (V8) WLTP drive cycle: fuel consumption, mpg (l/100km) – Combined 21.7 (13.0). Combined CO₂ Emissions – 294 g/km.

Bentayga (V8) NEDC drive cycle: fuel consumption, l/100km – Combined 12.0. Combined CO₂ Emissions – 272 g/km.

Optimise your boot space.

Crafted with a dynamic lifestyle in mind, the Load Assist Tray* optimises your Bentayga's boot space, making it perfect for those looking to explore the open road and beyond. Made from light yet highly durable aluminium, the tray is integrated into the boot runners to slide out and provide effortless access to contents at all times.

With an impressive load capacity of 300 kilograms, the tray also features a protective heavy duty insert that is easily cleanable and an optional carpet replacement to protect the original lining of your SUV.

*The Load Assist Tray is not available for a 4 Seat model or 7 Seat model.

Pack pure convenience.

The Multifunctional Boot Stowage* fits securely into the boot of your Bentayga, allowing you to neatly stow away items. Made from strong, brushed aluminum with a capacity of up to 100 litres, it provides practicality in all conditions.

Featuring a drawer that slides out for convenient access to contents, it can be split into two with an internal divider for heightened organisation. With a hinged lid and rear section locking function, you can have peace of mind when storing valuables.

The interior walls and floor are also covered with a durable TPE along with an integrated drain plug to ensure you can remove any water or dirt with ease – the perfect solution for wintery weather or wet sporting equipment.

Protect your Bentayga, inside and out.

Heavy Duty Floor Mats provide high quality protection and excellent grip, even in the most adverse weather conditions. And when loading or unloading luggage or heavy equipment, the Bumper Protector safeguards your SUV from damage. You can also choose from Floor Mats tailored to fit the footwell perfectly, with raised edges to protect existing carpets – every detail designed to promote peace of mind.

*Multifunctional Boot Stowage is not available for a 7 Seat model.

Let us entertain you.

Keep your passengers in the rear cabin enthralled with the Bentley Rear Entertainment System. Easily secured to the back of the front seats, the system allows content to be streamed effortlessly from a personal mobile device - and listened to via a pair of Bluetooth headphones or your Bentley's impressive sound system.

With two high-definition 10.1" screens, the system provides high-quality viewing on every journey. And the entertainment doesn't have to stop when you reach your destination - you can simply remove the screens and take them with you.

Bentayga Speed is available to order in all markets, except EU27, UK, Switzerland, Israel, Ukraine, Norway, Turkey, China, Macau, Hong Kong, Taiwan, Vietnam, India or South Korea.

The sound of exhilaration

Originally designed for the Bentayga S, the Sports Exhaust is now available for your V8 powered Bentayga. It is designed to emphasise the power and responsiveness of the V8 engine with a deeper and more throaty sound, both inside and outside the SUV.

Made from stainless steel and available in bright or dark chrome, it features a new exhaust muffler and pipes.

Ultimate protection.

Whether you store your car indoors or outside, there is a car cover to suit your needs. These car covers are available in a choice of black or silver. Indoor covers are specially designed to protect your car from dust and debris, while our outdoor covers provide unrivalled protection from the elements.

Weather-beating accessories.

Winter shouldn't stop you from enjoying your Bentayga. With our specially selected accessories, you can drive with complete confidence, whatever the weather. The range has been specially tested and developed to suit all types of extreme conditions, whether driving through heavy snow, on compacted ice or in freezing rain.

Spikes-Spider™

A modern spin on the tried-and-tested snow chain, Spikes-Spider™ offers superb traction and safety in the toughest conditions.

Winter rims and tyres

In colder weather, the performance of your tyres can begin to suffer, as can your stopping distance. These tyres are designed to improve performance when temperatures dip below 7°C and give you the high level of safety you expect.

A home for your keys.

Beautifully embossed with the iconic Bentley wings, this key box is the ideal gift for any Bentley owner or Bentley enthusiast. Designed to hold two keys, giving them a place to call home, each box features a black flock lining and is finished with blind stitching.

Available in three colours: Beluga, Linen or Hotspur, you can also enhance the effect with individual key pouches in complementing or contrasting finishes, which also add an extra level of protection to your keys.
