A knitted rib collar and contrasting insert on the arm add style interest, while micro-piping provides a touch of luxury finishing and Bentley-branded buttons bring a little piece of the brand you love.

Exquisite accessories, crafted with care.

Craftsmanship is key to any product that bears the Bentley name. So, while you'll find beauty in the Bentley Collection, you'll know that only the highest quality materials are used, with attention given to every detail. You'll recognise the mastery whether you're sheltering under the new Crook Handle City Umbrella, featuring an elegant soft-feel handle, or wearing the sumptuous Leather Gloves, with a unique fingerprint design allowing you to use a touchscreen.

Discover flawless bags that command the attention of any discerning eye and take luxury and functionality to the next level. The Mary P Tote Bag is an exceptional companion, ideal for city commutes to weekend shopping trips. Spacious yet elegant, this tote is crafted in Italy from the finest calf leather and features an interior finished in diamond-quilted soft lamb nappa leather, with secure pockets to keep your valuables safe.

Details to appreciate.

With its curated selection of unique accessories, the Bentley Collection has something for those who appreciate craftsmanship, impeccable style and luxury – in all its forms.

Take the boldly designed Loop Keyring, Bentley B Card Holder and Bag Tag all in Carbon Fibre – inspired designs perfect for any traveller.

The Bentley Collection Notebook features a debossed silver-foil Bentley logo on the cover and diamond-designed endpapers, and why not accessorise it with one of the Collection pens?

Perhaps the ultimate in Bentley style statements is the Flying B Paperweight, inspired by the iconic Flying 'B' of the Flying Spur and adding a touch of style to your working day.

Luxury for little ones.

The Bentley Collection has plenty for our youngest fans too, adding magic to memories that will last a lifetime.

For little adventurers, our Mulliner Inspired 6-in-1 Trike is perfect for young Bentley enthusiasts and boasts replica Mulliner wheels, hand cross stitching and a luxurious leather cushioned seat. This versatile tricycle will grow with your child from six months old to upwards of five years thanks to its innovative transformation capability.

With its elegant design and exceptional quality, the Mulliner Inspired 6-in-1 Trike is the perfect way to give your child a luxurious and stylish journey.

Meet the Bentley Bears.

Young Bentley fans will love to snuggle our plush teddy bears and this popular range now includes four adorable new characters that will make any cuddly toy collection complete.

Meet Signature Bear, a special-edition bear made from super soft fur fabric with a gorgeous branded double ribbon necktie. Also ideal for a hug is Cosy Knitwear Bear, dressed in a snug Bentley diamond-designed knitted sweater and bobble hat.

As always with Bentley, the details matter, and Engineer Bear knows its way around an engine. Made from soft fur, the perfect mini-marvel of an engineer is dressed in a little white and green suit with a white cap and is always ready for work – take a peek inside its pocket and you'll discover some hidden little trinkets, the tools of its trade.

The final addition to this lovable line-up is Heritage Racing Bear. Classic, distinguished and snuggly, this bear is inspired by the famous Bentley Boy Sir Henry 'Tim' Birkin.

Body and soul.

Our range of sensational products brings wellness to the fore, whether at home or on your travels.

True tranquillity begins with your olfactory senses, which are stimulated by the sensual smoky fragrance of Beyond the Collection Magnetic Amber Eau de Parfum. For men and women, the warm, woody fragrance is inspired by the treasure of exotic Panama: white amber.

For the home, you can create a relaxing aura with Nemus 11 Scented Candle, a large fragranced candle that infuses the atmosphere with a captivating woody scent enriched with eucalyptus and warm scents of rich amber.

To continue your wellness journey, envelop yourself in the luxurious softness of our Cashmere Tonal Wrap. Made in England using 100% sustainably sourced cashmere, each wrap is finished with a hand-sewn Bentley winged B emblem.

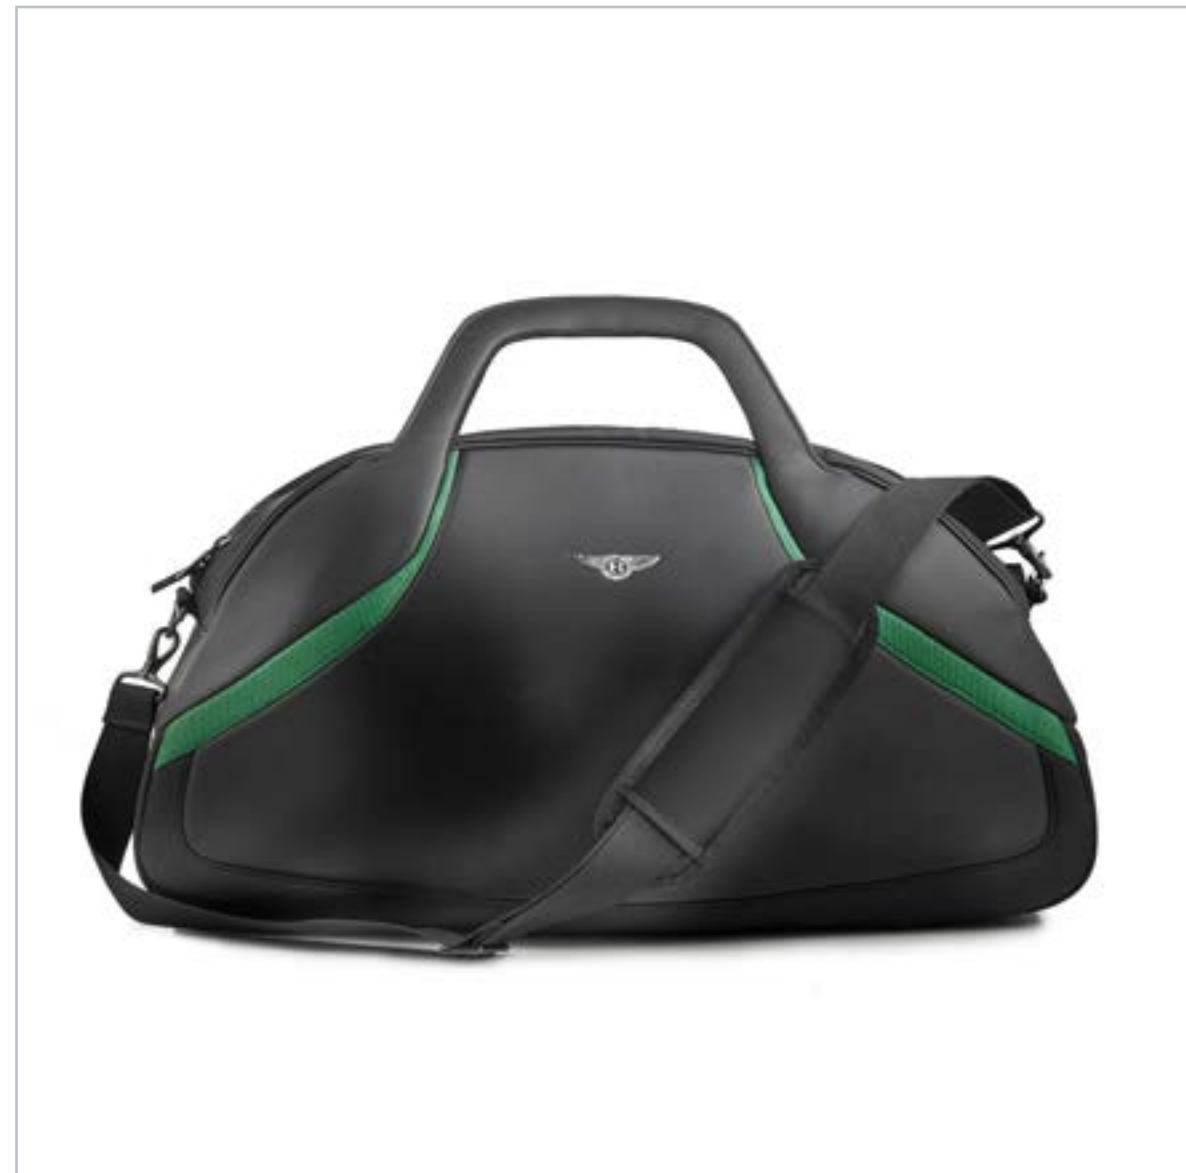

Alluring fragrances to complement your character.

A spirit of discovery exists in every drop of Bentley's refined fragrances. Developed with the finest artisan perfumiers and glassmakers, each fragrance is presented in a flacon reflecting unmistakable aspects of Bentley design. Our luxury women's fragrances express the unique characteristics of different flowers, from the flamboyance of hibiscus to the intimacy of heliotrope. Meanwhile, our unisex scents take inspiration from exotic destinations. Acapulco nights come to life in an Exotic Musk, while Wild Vetiver brings the lush flora and fresh rainfall of Java to mind.

Bentley Fragrances for men offer the same excitement for the senses. Carefully selected natural ingredients combine to create scents like the vibrant, modern Momentum range, and the cool, aquatic Bentley For Men Silverlake.

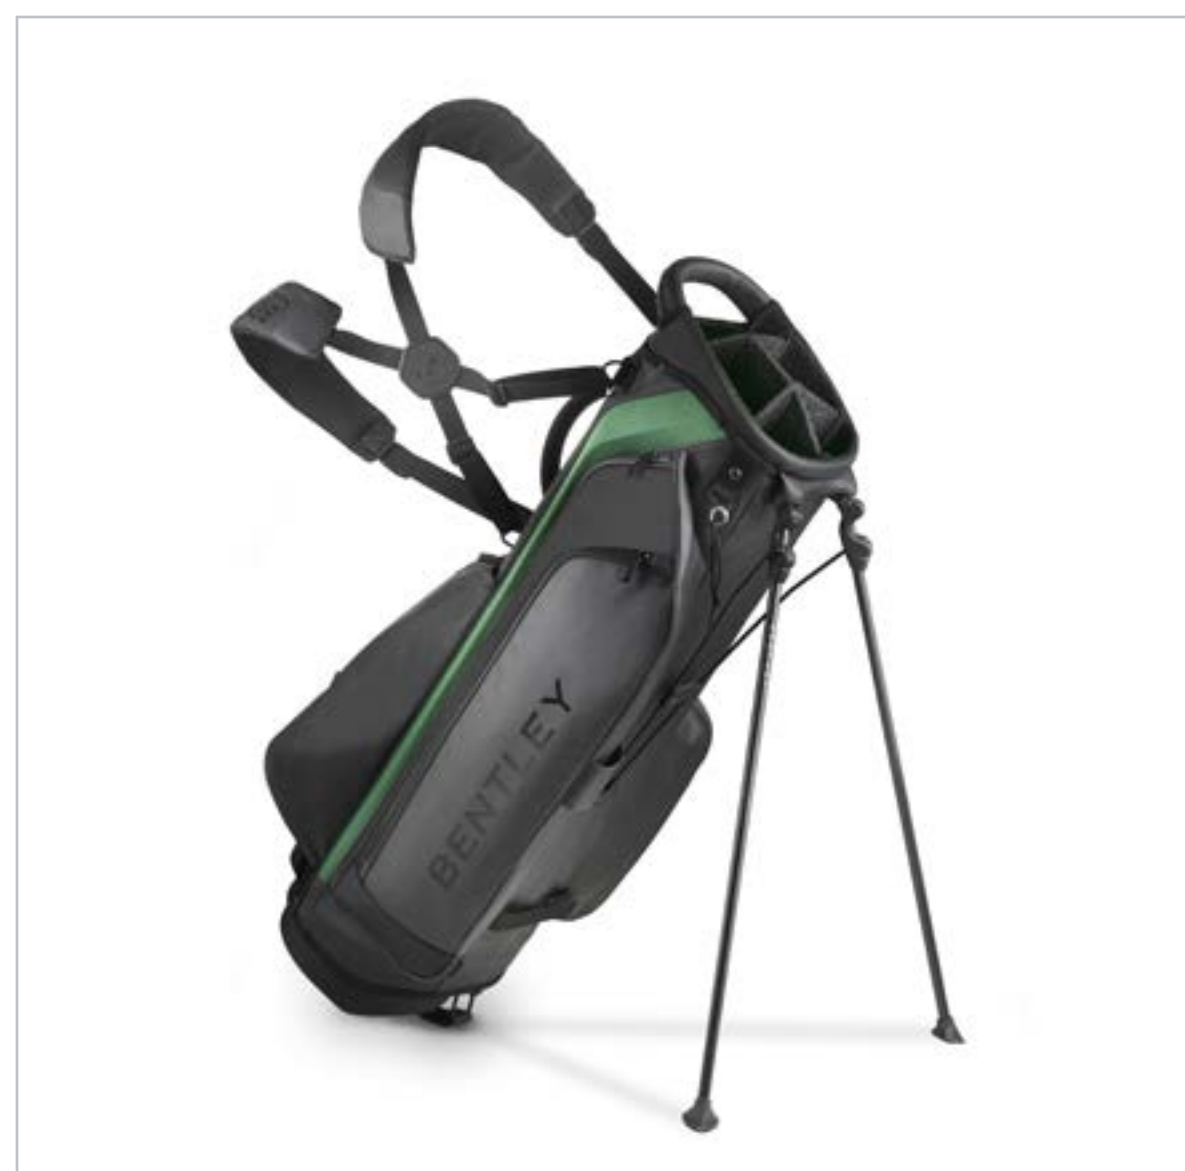

The Bentley Golf Collection.

With an array of precision-crafted, performance enhancing accessories, the Bentley Golf Collection speaks of peerless practicality and unites the worlds of luxury and craftsmanship with the finest in sports and performance.

The Techline Collection includes the Golf Techline Driver and Golf Techline Putter, featuring multi-material technology, with performance at their heart. Borrowing dynamic visual cues from our cars, the range features striking lines and subtle curves, plus details such as diamond knurling.

Whether you're an occasional or avid golfer, you can make any game extraordinary with a selection of Bentley golf accessories. The range offers everything from cart bags to golf balls, golf ball markers and scorecard holders, providing all you need for a delightful day on the green.

No detail is ever too small.

Bring a little more Bentley into your home or office with the exquisitely crafted range of miniature Bentley models from the Bentley Collection. Captured in 1:43 scale, these collectibles are coveted worldwide thanks to the precision details that replicates their full-sized siblings in eye-opening detail.

The sleek and sporty haunch of the Continental GT Speed and the Continental GTC celebrates one of the most powerful road-going vehicles ever made, so you can dream of the open road.

Or feed your sense of adventure with a model of Bentayga, capturing the go-anywhere magic of the world's most luxurious SUV. All of these limited-edition replicas feature details to delight and come in precision-matched Bentley colours – making the most captivating miniature companions.
